

Spaltalia

June 17 & 18 2006

Heading to the right way !

These last weeks were rather active for the organizers of **Spaltalia**, the unavoidable appointment for the beautiful Italian cars. Present at the Antwerp Classic Salon and the Euro Racing Show Brussels, they received the first feedback of their new initiatives from the enthusiasts who, in their great majority, approve their choices. The passage to a two days event seems unanimously appreciated. It is an important decision, which will make possible the increase of activities, allowing each visitor to take advantages of them and according to its affinities.

And what about these activities ?

The main themes

The planned topics generated much enthusiasm near the clubs partners. The **Club Lancia Belgio** has deeply invested preparing the **100th anniversary** of the make with an exhibition and demos, which will be exceptional. On its side, the **Abarth Squadra Storica**, is very busy organizing the famous "**Abarth World Meeting 2006**". The largest collectors already answered with enthusiasm, strongly motivated by the objective of discovering the circuit of Spa Francorchamps.

The new features.

The proposed new features will make the weekend even more attractive for the participants and for the spectators alike. Amongst them, the demos of **hill climb** on Saturday morning, tailor-made for all the models of **Abarth**. Elsewhere, the **rally special stage** that will attract the **Lancia** fans during two sessions during the weekend. On Saturdays afternoon, a **touristy rally** open to everyone, will take the participants along the most beautiful roads of the area of Spa.

The usual activities.

As usual, the owners of **Alfa Romeo, Ferrari, Fiat, Lamborghini, Maserati**, and the others makes will take part in the event. The “Grande Parade”, the first run in Ferrari, the free laps for sporting cars, or the traditional Concours d’Elegance are activities, which will be renewed and improved. Again, **Spaltalia** will be the event not to be missed on **17 and 18 June**.
