

SpaItalia celebrates Alfa Romeo's Centenary !

SpaItalia's 9th edition will undoubtedly be the most outstanding event of the coming motoring summer. Alfa Romeo's centenary will be the opportunity to focus on all symbols connected to the brand that are indelibly printed in everyone's mind: sporting spirit, technological excellence, elegant lines and, last but not least, the musical sound of the engines. The organizers of SpaItalia invite all Italian beauties lovers to attend this celebration in the heart of the world's most beautiful circuit, on 19 and 20 June. A heaven-sent opportunity for each car-enthusiast!

Theme

From Torpedo to Duetto, from Guilietta to 8C, lots of Alfa Romeo models are unforgettable. Because they represent the truly Italian creative genius of course. But mostly because they have been created by passionate people, for passionate people!

The legend was also built by the races. Alfa Romeo started in competition the first months after its creation, out of mission, out of necessity, out of conviction.

Finally, the greatest drivers, engineers or designers have written the most beautiful pages in Alfa Romeo's history: Nuvolari, Ferrari, Fangio, Merosi, Jano, Pininfarina, Zagato,...

It is this fabulous saga that SpaItalia will try to tell to the numerous visitors who are expected in the heart of the Ardennes in order to worthily celebrate an anniversary.

Activities

Thanks to the diversity of the activities offered to the participants, SpaItalia is year after year an enormous success. In 2010, the tradition will go on with a touristic rally, a concours d'élégance, the grande parade on the circuit, first runs on the track and free rides for sports cars.

This year, a particular attention will of course be paid to the brand with the snake, by means of interactive and playful activities, such as the Big Alfa Quiz and the Car of the Hour, which will honour lots of participants. But above all the organization of nothing less than the greatest gathering of Alfa Romeo cars ever in Europe!

A passionate challenge that can only be realized thanks to the Alfists' commitment.
