And this year a double anniversary is waiting for you: it is indeed the 10th edition of Spaltalia which gives us the opportunity to raise our objectives in surprising you by the quality and the diversity of the activities. The second jubilee is connected to our main theme, De Tomaso; in 2011, 40 years ago, the mythical Pantera went for the first time on the roads and we can testify to the growing interest which Spaltalia represents among the clubs of this model and the brand in general. The program of the weekend is almost fully booked. Some time slices on the track are still to rent but given the signs of interest, all should be complete within one week or so. It is with pleasure that we have noted the return of the Fiat Coupe Club of UK as well as the Club Quadrifoglio Belgio, both having already reserved track sessions for their members. A special program for the Ferrari owners is also set up. Please, pay a small visit on the www.spaitalia.be website. It will provide more information on these subjects.
