

Objective in sight

Actually, more than 80 De Tomaso cars have been enrolled for SpaItalia 2011, among which no less than 65 Pantera. Congratulations for the Scandinavian owners, and particularly for the Swedish who total 18 participants! What a motivation if you take into account the kilometres they will have to travel to arrive in Belgium. The objective of bringing together 100 De Tomaso cars for this large international assembly is almost reached. Our team will use the weeks that separate us from this event to convince the last sceptics not to miss on no account this assembly which promises to be simply exceptional.

Best of Show

As every year, SpaItalia organises a Best of Show for cars where all participants can enroll their Italian favourite. It is also a way of sharing with the public the beauty of the lines that came out of the pencil of a Pininfarina, a Bertone or a Michelotti. We are aware that in more recent cars data processing has become an indispensable tool, but the guidelines of these coachwork supermen remain nevertheless present, as show the latest Ferrari or the Fiat 500 Zagato. This year, we not only have our faithful partner, Meguiar's products, but we are also pleased to welcome Alitalia Airlines. They will offer the winner 2 tickets for a flight within Europe. So there is no more reason to hesitate. Enroll today for the Best of Show at SpaItalia and grab the chance to become the happy favourite!

The programme

There has been some hesitation amongst the organisers on the subject of the Saturday afternoon programme; but in the end, the sporting aspect got the upper hand. And we are happy to confirm that the 2 'solo Ferrari' sessions will be retained. And there will be an extra 'Scuderia' session, so that there will be a total of 4 'Scuderia' sessions during the whole weekend.

After 15 May, no enrollments can be accepted. As from then, it will only be possible to enroll at the office on the spot for the places that remain available. We can only advise you to react as soon as possible if you want to be able to choose from a wide range of time schedules and activities. This anniversary edition will be top of the bill and we do not want you to miss out on anything during this annual meeting of the most beautiful Italian cars.
